

**We have hundreds of products to suit your needs
Some of our top products are featured below which will solve most of your
cleaning, sanitizing & maintenance problems**

ITEM/PRODUCT CODE		DESCRIPTION
1. AL AWAY CHEM011		<p style="text-align: center;">SWIMMING POOL ALGAEICIDE</p> <p>Used in swimming pools and decorative fountains to keep water clear and free of algae and slime. Harmless to skin and eyes. Compatible with chemicals normally used to treat pools and fountains. Long lasting effect.</p>
2. ANISHA - K CHEM011A		<p style="text-align: center;">HOSPITAL GRADE SKIN SANITIZER</p> <p>The portable hand sanitizer that goes anywhere. Ideal for medical personnel or emergency response teams. No water or towels needed. Evaporates quickly leaving hands sanitized smooth and conditioned. Controls Staph, Strep, and other harmful bacteria.</p>
3. ASCB #1 CHEM015		<p style="text-align: center;">PROFESSIONAL STRENGTH ALUMINUM & STAINLESS CLEANER/BRIGHTENER</p> <p>This heavy-duty cleaner/brightener restores aluminum and stainless steel to a like new luster. Apply it with a brush, then hose it off. Oxidation, corrosion, grease and dirt are gone and oxidation preventing film remains</p>
4. AQUA MOP CHEM014-GA CHEM013-AEROSOL		<p style="text-align: center;">DUST MOP TREATMENT</p> <p>A superior dust mop treatment that attracts dust and holds it like a magnet. Prevents germ-filled particles from scattering. Ideal for schools, hospitals, airports, factories, supermarkets, etc... Use wherever dust collects.</p>
5. AUTO BRITE PREMIUM CHEM019A		<p style="text-align: center;">PROFESSIONAL VEHICLE WASH</p> <p>Quickly loosens and floats dirt away. A special blended formula that tackles dirt, grime, insect, and road film. Will not dull Concentrated making it economical. Ideal for pressure washer application</p>
6. AUTO DISH CHEM017A		<p style="text-align: center;">COMMERCIAL DISHWASHING MACHINE DETERGENT</p> <p>A high quality liquid detergent for top performance at lower water temperatures. Excellent grease removal and rinsing characteristics. Contains a special Polymer booster. Not recommended for use on soft metal or aluminum.</p>
7. AUTO RINSE CHEM017		<p style="text-align: center;">PREMIUM DISH DRYING AGENT</p> <p>A high performance rinse for commercial dishwashers. Formulated for use at low temperatures. Helps eliminate water spots and the need for towel drying. Ideal for schools, hotels, restaurants, etc...</p>
8. AUTO SANITIZER CHEM999-7		<p style="text-align: center;">HIGH PERFORMANCE DISH SANITIZER</p> <p>A highly concentrated chlorine type bactericide, sanitizer, and cleaner. Effective in cleaning and sanitizing dishes, glassware, silverware, and other utensils and equipment used in food establishments</p>
9. BARRIER CREAM CHEM021		<p style="text-align: center;">BARRIER SKIN PROTECTION CREAM</p> <p>Prevents skin irritation from paint, grease, oil, chemicals, and solvents. Gives an all day invisible greaseless film of protection while emollients help soothe chapped skin. Washes away with soap and water, taking dirt and irritants</p>
10. BATH BRITE CHEM021C-QT CHEM021B-GA		<p style="text-align: center;">NON-ACID BATHROOM CLEANER</p> <p>A high performance cleaning and scum remover for all fixtures, walls, and floors. Will not damage porcelain, stainless steel, ceramic tile, or vinyl. Can be sprayed, mopped, or brushed on. Leaves a fresh apple scent.</p>

ITEM/PRODUCT CODE		DESCRIPTION
11. BAY BRITE CHEM021A		<p align="center">BAY AND PIT DEGREASER AND CLEANER</p> <p>A powerful degreaser and cleaner specially formulated to instantly clean accumulated oil and grease on concrete floors, walls, unpainted surfaces, engines, and machinery.</p>
12. BIOSAFE-BACTERIA CHEM023B		<p align="center">PROFESSIONAL GRADE ENZYME BASED DRAIN MAINTAINER</p> <p>An enzyme based drain maintainer and natural deodorizer. It is a complete grease eradication system and is guaranteed to work. A unique formulation of ultra-concentrated, natural grease eating organisms, called BIOSAFE BACTERIA that completely digest animal and vegetable fats into environmentally safe carbon dioxide and water. Chemco's automatic injector system insures constant and measured dosage of BIOSAFE BACTERIA every 24 hours at the predetermined time when your operation is at its slowest. Great for professional kitchens and food plants. Eliminates the need for pumping grease traps and grease pits. Virtually eliminates foul odors and prevents clogging and back-up of drains & sewers.</p>
13. BIOTRIM CHEM024		<p align="center">ENVIRONMENTALLY SAFE NON-SELECTIVE AQUATIC WEED KILLER</p> <p>A breakthrough product for control of aquatic weeds and algae in lakes, lagoons, drainage ditches and canals. Fast-acting on weeds and grasses, when used as directed it will not harm fish nor will it sterilize soil. May also be used on land vegetation where selectivity is not required.</p>
14. BIO-ZYME CHEM023D-GA CHEM023E-QT		<p align="center">PROFESSIONAL GRADE INSTANT ODOR ELIMINATOR WITH ENZYMATIC CLEANING ACTION.</p> <p>Combines cleaners, stain removers, grease cutters and enzyme producing non-pathogenic bacteria to digest and eliminate the toughest foul odors from drains, sinks, carpets & grease traps.</p>
15. BONDEX CHEM26		<p align="center">BONDEX FLOOR SEALER</p> <p>Use Bondex after stripping to prepare for the finish coat. This penetrating transparent sealer fills pores and provides a bond between floor and finish coat. Will not discolor, crack, or peel. Water resistant.</p>
16. BOWL LUSTER CHEM028		<p align="center">NON-FUMING ACID BOWEL CLEANER</p> <p>Gets toilet bowels and urinals sparkling clean. Eliminates odors without obnoxious fumes. Safe to use on porcelain, chrome, or ceramic tile.</p>
17. BRAKE-BRITE CHEM028B		<p align="center">PROFESSIONAL NON-FLAMMABLE BRAKE & PARTS CLEANER</p> <p>Removes brake fluid, grease and oil contaminants from brake lining and drums. It is non-flammable and leaves no residue. Not necessary to disassemble brake unit. Stops disc brake squeal.</p>
18. BUG BUSTER CHEM033		<p align="center">WATER SOLUBLE CLEANER & BUG REMOVER</p> <p>Professional grade water soluble and nonflammable cleaner specifically formulated to tackle the toughest jobs. Instantly dissolves dead bugs, grease, dirt, and grime on glass, metals, or plastics. Ideal for automobiles, trucks, and buses.</p>
19. CHEM-OX CHEM044-GA CHEM044A-QT		<p align="center">PROFESSIONAL STRENGTH NON-FUMING ACID CLEANER/DELIMER</p> <p>Dissolves and removes rust, scale, lime corrosion, excess concrete, soap scum, urine build-up, and all water salts and deposits. Safe and environmentally sound replacement of Muriatic Acid.</p>

ITEM/PRODUCT CODE		DESCRIPTION
20. CHEMSOLV CHEM050A		<p>HIGH PERFORMANCE SOLVENT AND DEGREASER A professional grade colorless degreaser that is used to clean grease, tar, wax, adhesives or oil. Safe on all types of equipments. Chem-Solv is ideal for cleaning precision instruments and electric motors while they are in use.</p>
21. CHEM-THAW (GNLR) CHEM046		<p>GRANULAR ICE MELT A salt-free compound for melting ice and snow from driveways, walks and stairways. It begins melting immediately, ten times faster than salt, because its 99% active "hot stuff". Will not harm concrete and leaves no residue, when used as directed.</p>
22. CHEMSORB-CL CHEM051A		<p>HOSPITAL GRADE BLOOD, URINE & VOMIT ABSORBENT AND DISINFECTANT Powder super absorbent with stabilized chlorine to kill germs and deodorize instantly. The fastest and safest material for the absorption of potentially harmful spills of body fluids, boodborne pathogens and other hazardous liquids. Only 8 oz. CHEMSORB-CL will absorb over 5 gallons of liquid. Fast, Easy and Safe.</p>
23. CHEMCO CARPET FRESH CHEM036		<p>GRANULAR CARPET DEODORIZER This powerful powdered carpet and room deodorizer is simple to use and very effective on eliminating unpleasant odors like cigarette and cigar smoke. One bottle covers 2,500 sq ft.</p>
24. CHEMO CLEAN-UP KIT CHEM056A		<p>HOSPITAL GRADE CLEAN-UP KIT Effectively transforms liquids into a deodorized, semi-solid gel making clean up easy and fast. Super absorbent acts as a chemical sponge absorbing 100 times its own weight. Pleasant fragrance begins to mask unpleasant odors immediately leaving behind a fresh scent. Can be used on any water safe surface. Ideal for hospitals, schools, daycare centers, nursing homes, hotels, etc...</p>
25. CHEMCO DUALCID P-3-RTU CHEM-B00442		<p>PROFESSIONAL GRADE INSECTICIDE Use this water-based product indoors or out. Use in your home or for commercial application. Residual effectiveness for up to two months.</p>
26. CHEMCO EQUIPMENT & SURFACE WIPES CHEM-W00250		<p>EQUIPMENT AND SURFACE WIPES Kills 99% of stated bacteria. Premium cloth wipes that cleans, disinfects and deodorizes leaving a lemon fragrance. Bleach-free Alcohol free.</p>
27. CHEMCO FIRE ANT SPRAY CHEM-A00490		<p>PROFESSIONAL FIRE ANT INSECTICIDE SPRAY Solvent-Based Outdoor Insecticide. Mound penetrating rod kills ants in the mound. Contains dual synthetic Pyrethroids.</p>
28. CHEMCO FIRE ANT ROD EXTENSION TUBES CHEM-T00490		<p>FIRE ANT ROD EXTENSION TUBES (Used with Fire Ant Spray Chem-A00490)</p>
29. CHEMCO HAND SANITIZER CHEM-W00166		<p>ALL PURPOSE HAND SANITIZER WIPES Pre-moistened premium cloth-like wipes. Kills microbes in seconds. Helps reduce risk of infection from diseases. Ideal for use as a supplement to hand washing.</p>
30. CHEMCO INSECT REPELLENT II CHEM-A00482		<p>PROFESSIONAL GRADE INSECT REPELLENT Repels mosquitoes, chiggers, ticks, biting flies, fleas, and other small insects. 23.75% D.E.E.T; 32.50% Total Actives. No unpleasant odors - a newer gentler spray. Ideal for campers and military personnel working in the field. Spray on tents and equipment as well.</p>
31. CHEMCO SY-76 CHEM241B:PREMIUM CHEM241A:DELUXE CHEM241C:INDUSTRIAL		<p>LAUNDRY COMPOUND W/O SOFTENER Highly concentrated all purpose detergent with Borax and brighteners. Safe and gentle on most fabrics; leaving a lemon scent. Can be used with hot or cold water. Ideal for home, hotel, industries, and institutions.</p>

ITEM/PRODUCT CODE		DESCRIPTION
32. CITRA-FLOAT CHEM052S		<p>HEAVY DUTY CITRUS FLOATING LIFT STATION CLEANER</p> <p>Floating lift station citrus degreaser and natural deodorizer. The optimum combination of natural and petroleum solvents to liquefy grease, oil, scum and eliminate odors. CITRA-FLOAT floats on the surface of waste water. As the water level rises and falls, grease, oil and scum get emulsified by CITRA-FLOAT. This action prevents dissolved and suspended solids from adhering to the walls of lift station and wet-wells 24 hours a day and prevents odors and sewer backups. CITRA-FLOAT can be used to degrease clarifiers, primary tanks, secondary tanks, digesters and even grease traps.</p>
33. CITRUS SMOOTHIE CHEM053B		<p>HOSPITAL GRADE WATERLESS HAND CLEANER WITH OR WITHOUT GRITS.</p> <p>Uses the power of all natural ingredients to lift and remove the most stubborn dirt and grease.</p>
34. CITRUS-SOLVE CHEM052C		<p>PROFESSIONAL NATURAL ORANGE OIL CLEANER, DEGREASER, AND DEODORIZER SPRAY.</p> <p>Removes grease, oil, tar, crayon, gum, adhesives, decals and printing ink naturally.</p>
35. CLEAN GUARD CHEM999-6		<p>WINDSHIELD DE-ICER AND CLEANING FLUID</p> <p>A concentrated fluid for keeping windshields sparkling clean and free of road soil. Penetrates rapidly to lift away heavy dirt, insect residue and other matter that can block your sight. Does not freeze and protects metal. Concentrated for economical use. Saves time and money.</p>
36. CLOG-BUSTER CHEM059		<p>PLUMBER'S GRANULAR SEWER SOLVENT</p> <p>Sacrificial aluminum is the ingredient that makes this sewer solvent so effective. Its instant chemical reaction opens clogs due to roots, grease, rags, organic matter and other debris. Strong for municipal sewers, its also used in food and meat processing plants nationwide.</p>
37. COIL-X - AEROSOL-CHEM060A COIL-X - ACID-CHEM060 COIL-X - ALKALINE-CHEM060K COIL-X - NEUTRAL-CHEM060N		<p>PROFESSIONAL GRADE COIL CLEANER</p> <p>A hydrodynamic (that means it works with water so you don't work very hard) cleaner and deodorizer for air conditioners, coolers, etc. Spray it on condenser coils to clean and improve performance; spray it on filters to trap airborne dust and germs; dip filters to clean them.</p>
38. COMMAND CHEM047B-GA CHEM047C-QT		<p>HEAVY DUTY, FOAMING ALKALINE DEGREASER CONCENTRATE.</p> <p>Removes all types of animal and vegetable fats and associated soils. Produces a clinging foam and rapidly emulsifies baked on grease and grime.</p>
39. CONTACT-KILL CHEM066		<p>GROUNDS KEEPER'S LIQUID CONTACT WEED KILLER</p> <p>This new herbicidal chemical kills all plant growth by rapid absorption through the leaves. But it becomes inactive when it contacts the soil, so it does no permanent harm. Though non-selective, it will not harm plants if it does not touch their leaves. Contains no pollutants.</p>
40. DEFOAMER CHEM996		<p>KNOCKS DOWN FOAM INSTANTLY</p> <p>Defoamer is highly concentrated and made from food grade raw materials. Instantly effective and completely safe to use. This special formula prevents foaming caused by dissolved organic matter and knocks down existing foam immediately. It is non-toxic and completely un-reactive with other swimming pool chemicals.</p>
41. DEO-MITE CHEM071		<p>PROFESSIONAL GRADE SULFURIC ACID NON-FUMING DRAIN OPENER</p> <p>The most powerful formula yet developed for drain opening. Heavier than water, it goes right to the problem area to begin dissolving and liquefying drain clogging matter. Contains sulfuric acid, but is non-fuming. Safe on PVC pipes, drains and tiles.</p>

ITEM/PRODUCT CODE		DESCRIPTION
42. DIS-DEO CHEM072		<p align="center">MEDICAL GRADE DISINFECTANT AND DEODORIZER</p> <p>A potent bacteriostatic and fungistatic (pathogenic fungi) hospital type disinfectant. Works on everything from mattresses to refuse cans to laundry chutes. Very fast acting and will inhibit return bacterial growth</p>
43. DISH GLO CHEM073		<p align="center">HAND DISHWASHING COMPOUND</p> <p>A new dishwashing liquid specially formulated to clean dishes thoroughly at an unbelievably low cost. Lifts grease and sticky foods from dishes, flatware and glassware. Highly Recommended where dish volume is high and the budget is tight.</p>
44. DOES IT ALL CHEM076		<p align="center">PROFESSIONAL SPRAY LUBRICANT, PENETRANT & DEMOISTURANT.</p> <p>Multi-purpose products penetrates, lubricates and stops rust and corrosion of all metals. Displaces moisture while eliminating squeaks and binds. Non-flammable. Dielectric Strength: 30,000 volts.</p>
45. DRI-DEK CHEM999-8		<p align="center">NEW INVENTION IN NON-SLIPPERY FLOOR MAINTENANCE WHILE KILLING GERMA\VS</p> <p>Dri-Dek not only maintains a non-slippery floor but also kills bacteria , fungus, virus and other germs for 5 full years. It comes in 7 colors or you can go with a custom color of your choice. Great for both floor, shower stalls and other swimming pool areas.</p>
46. DRY GAS CHEM083-PT CHEM082-GA		<p align="center">DIESEL AND GASOLINE ADDITIVE</p> <p>Anti-jelling and Anti-Freezing Compound. Absorbs moisture and water. Dissolves gum, varnish, and carbon. Increases octane rating thus helping the engine to burn more efficiently. Can be used in all motor vehicles and stationary engines operating on gasoline, diesel and kerosene.</p>
47. DYNAMITE-A CHEM087		<p align="center">PROFESSIONAL GRADE SULFURIC ACID SEWER SOLVENT</p> <p>This heavy-duty sewer line purge contains sulfuric acid to work fast. Ready to use, it comes in a special dispensing container to pour directly into problem sewers. Heat and turbulence tell you the job is being done.</p>
48. DYN-SOL II CHEM085A		<p align="center">INDUSTRIAL CLEANING SOLVENT</p> <p>A quick and easy way to remove grease, oil and dirt from printing equipment, machinery, tools, and electrical parts. Leaves no residue and is fast drying/non-corrosive. Recommended for use by airlines, farmers, machine/automotive shops, vending machine shops.</p>
49. ELECTRA CHEM093		<p align="center">HEAVY DUTY ELECTRICAL CONTACT CLEANER/DEGREASER</p> <p>A solvent degreaser for all electrical contacts, including switches, relays, tape heads, motors, office machines, etc. Quickly removes oil and dirt, leaves no residue. Non-conductive, non-explosive - use while operating there is no need to shut down or disassemble equipment.</p>
50. ENVIRO CHEM CHEM095A		<p align="center">BIODEGRADABLE CLEANER AND DEGREASER</p> <p>Non-Toxic, Non-Flammable, Non-Corrosive, and Biodegradable cleaner. Removes heavy deposits of oil, grease, lubricants, carbon soot, and gum. Ideal for cleaning aircraft parts, engine blocks gears, transmission cases and other metal parts. Cuts hazardous waste cost.</p>
51. FAST & EASY GEL CHEM100C-QT CHEM100B-GA		<p align="center">OVEN CLEANING GEL</p> <p>A scientific breakthrough in oven cleaning for the professional food services locations. Self scouring, jelled formula stays on vertical surfaces for maximum cleaning. Quickly penetrates and liquefies baked on grease and food to allow you to simply wipe the surface clean.</p>

ITEM/PRODUCT CODE		DESCRIPTION
52. FRESH -N-UP CHEM117K		<p align="center">CARPET FRESHNER</p> <p>quickly neutralize all odors on contact, even stubborn ones such as tobacco smoke, musty odors or mildew and unwanted pet odors. Leaves the immediate area smelling fresh and clean without vacuuming.</p>
53. GERMA-KILL CHEM121-GA CHEM121A-QT		<p align="center">HOSPITAL GRADE CLEANER, DISINFECTANT, DEODORIZER, SANITIZER, VIRUCIDE, MILDEWSTAT AND FUNGICIDE.</p> <p>Kills HIV-1 (AIDS), Hepatitis A and B, as well as Herpes Type I & II germs. Use 1:64 dilution to disinfect & 1:128 dilution to sanitize. Available in lemon, mint, pine and sassafras scents.</p>
54. GREASE IN A CAN CHEM126		<p align="center">MULTI-PURPOSE, LONG LASTING & WATER RESISTANT LUBRICANT SPRAY.</p> <p>Sprays as a penetrating liquid, then quickly forms a thick high temp red grease. Excellent lubricating properties, stable to 500° F. Contains anti-rust and anti-oxidation additives. Acid and water resistant.</p>
55. GUM GONE CHEM127		<p align="center">CHEWING GUM REMOVER</p> <p>Quickly loosens gum from under chairs, tables, counters, window sills, etc... Can be used on all surfaces and will not harm fabrics. Ideal for school, churches, youth centers, and other public places.</p>
56. HONEY BEE CHEM133B-GA CHEM133-QT		<p align="center">CONCENTRATED WATER SOLUBLE MAL-ODOR COUNTERACTANT.</p> <p>Eliminates odors caused by decomposition of food particles, urine, pet droppings, vomit, fecal matter and blood. Pleasant honeysuckle fragrance. Use as is or dilute with water.</p>
57. HOT STREAM CHEM134		<p align="center">PROFESSIONAL CARPET EXTRACTOR</p> <p>Chemco formulated for hot water extraction systems used in stream carpet cleaning. Quickly removes the toughest dirt, grime, and grease without harming the carpet fibers. Penetrates deep into pile; Safe for carpet backing and pads.</p>
58. HURRICANE-CLING CHEM136A-GA CHEM137A-QT		<p align="center">PROFESSIONAL GRADE THICK PHOSPHORIC ACID BOWL CLEANER</p> <p>Decals, cleans and deodorizes every bathroom surface, showers, tubs, fixtures, stainless steel, sinks, mirrors and floors. Clings to vertical surfaces, non-poisonous and safe on hands. Contains 25% phosphoric acid, the same acid that is used in Coke and Pepsi. Has a pleasant sassafras fragrance.</p>
59. IMPACT LUBE CHEM140-TB CHEM139-DR		<p align="center">HIGH TEMPERATURE-HIGH IMPACT & NON-MELT GREASE</p> <p>Superior "custom-built" lubricant from selected paraffin-based crudes designed for extreme pressure and wear. Non-melt formulation with extra tackifiers. Will withstand heavy shock loads and impact pressure to 50 lbs. Timken. Resists acids, salt, dirt, steam and weather.</p>
60. KLEENZOL CHEM148-GA CHEM148A-QT		<p align="center">PROFESSIONAL GRADE HIGH PERFORMANCE ALL PURPOSE CLEANER.</p> <p>No scrubbing, no rinsing because Kleenzol is a neutral cleaner and safe on all water washable surfaces. Can be used for area cleaning or spot removing. Can be diluted up to 100 times with water. Works like magic. Try it.</p>
61. LIFT-CLEAN CHEM153		<p align="center">PROFESSIONAL FLOATING DEGREASER & DEODORIZER FOR LIFT STATIONS</p> <p>This product floats on the surface to clean lift-station walls and mechanisms without scrubbing. It quickly saponifies and dissolves grease and other organic obstructions without forming a hard soap crust. It's fast-acting, non-fuming and non-corrosive.</p>

ITEM/PRODUCT CODE		DESCRIPTION
62. LIPO MOP CHEM154		<p align="center">OIL BASED DUST MOP TREATMENT</p> <p>An economical oil based treatment used primarily where water based products can not be used, e.g., electrical or power plants. Leaves floors shiny but not slippery.</p>
63. MEDICATED HAND SOAP CHEM154F		<p align="center">HOSPITAL GRADE HAND SOAP - ANTIBACTERIAL</p> <p>Mild, creamy, lotionized hand cleaner containing natural hand soaps, a broad spectrum bacteriostat, aloe vera, lanolin and moisturizers. Provides excellent antibacterial activity and leaves skin feeling smooth and soft. Recommended for use by health care, day care, food service and law enforcement professionals, as well as, others who come in contact with disease causing pathogens of all kinds.</p>
64. MELTS AWAY CHEM155		<p align="center">LIQUID ICE MELT</p> <p>A liquid ice melter, is harmless to concrete and asphalt. It works by lowering the freezing point of water. It can also be used as a preventative step when snow or freezing rain is expected. Safe for use in sewage plants, as it contains no harsh heat-generating chemicals.</p>
65. METAL COAT CHEM156		<p align="center">METAL PROTECTIVE COATING FOR SNOW PLOWS</p> <p>A newly developed coating to be sprayed or brushed on metal to prevent corrosion and sticking. Forms a slick surface on truck beds, spreaders, snow plow blades, mower housings, V-boxes and more.</p>
66. METAL SLIDE CHEM999-0		<p align="center">ASPHALT RELEASE AGENT</p> <p>Biodegradable, non-hazardous, non-volatile. Designed to have high foaming, film forming action agent for use on trucks and equipment approved release agent for use on trucks and equipment transporting bituminous mixtures. Recommended for use by hot mix asphalt plants and contractors. It provides the plant operator with new economical technology to eliminate diesel and other petroleum based products, while maintaining high hot mix product specifications and quality and a clean truck bed.</p>
67. MIGHTY GREEN CHEM158A-GA		<p align="center">ENVIRONMENTALLY ACCEPTABLE AND SAFE CLEANER/DEGREASER FOR INDUSTRIAL AND INSTITUTIONAL USE.</p> <p>Non-flammable, non-toxic, non-acid, non-caustic. Biodegradable. Safe replacement for solvents. Cuts hazardous waste removal and insurance costs.</p>
68. MILDEW AWAY CHEM156A-GA CHEM158-QT		<p align="center">MILDEW REMOVER</p> <p>Kills mildew on contact. Just spray it on and let it dry. The obnoxious mildew disappears! Essential in bathrooms and locker room... anywhere moisture fosters mildew growth. Essential pre-painting preparation in problem areas.</p>
69. MOP-ON-STRIPPER CHEM163A		<p align="center">ONE STEP MOP-ON-STRIPPER</p> <p>Quickly removes layers of built up floor finish in less time and effort. Mop-On-Stripper Liquefies and emulsifies all types of floor finishes leaving floors ready for fresh coatings. No harsh smells and no rinsing required. Ideal for hospitals, nursing homes, hotels, office buildings, airports, institutions, shopping malls, etc...</p>
70. MOIST AWAY CHEM160		<p align="center">ELECTRICIAN'S MOISTURE AWAY</p> <p>Spray on wet electrical parts to dry them out and leave a protective barrier against moisture and corrosion. Acts as a lubricant on breakers, contacts and other movable parts. Ideal for electrical contractors, construction companies, power generating companies, etc...</p>

ITEM/PRODUCT CODE		DESCRIPTION
71. NATURE SOLV CHEM166A		<p>ALL NATURAL CLEANER/DEGREASER Concentrated non-butyl cleaner and degreaser. Completely new formulation, which provides a strong but natural cleaning power without the use of hazardous butyl (diethylene glycol monobutyl ether or EB) strong alkalies (sodium or potassium hydroxide), alcohols (normal or isopropyl) or any member of the petroleum distillate family. Non-flammable and non-fuming cleaning product completely emulsifies grease, grime and oil leaving no residues. Contains built in rust inhibitors. Harmless on floors, walls, equipment, vinyl, rubber, formica and painted surfaces.</p>
72. ODOR -SUPPRESS CHEM173		<p>PROFESSIONAL GRADE SEWER ODOR SUPPRESSANT Suppresses objectionable odors in sewage plants, lagoons, septic tanks, cesspools and land-fills. Controls odor causing bacteria with no harmful side effects to beneficial digestive organisms. Delightful cherry, lemon, apple blossom and grape scents. Economical.</p>
73. ONE STEP CHEM191		<p>HOSPITAL GRADE DISINFECTANT Spray on disinfectant is ideal for all surfaces. Cleaner-Sanitizer-Fungicide-Virucide Kills Influenza, HIV, Herpes, TB and other infectious diseases. Prevents growth of mold and mildew. Controls germs up to 14 days on fabrics and up to 21 days on hard surfaces. Ideal for all public places and does not contain ozone depleting CFCs.</p>
74. ODOR-GONE CHEM172B-GA CHEM172A-QT		<p>WATER SOLUBLE ODOR COUNTERACTANT CONCENTRATE A powerful deodorant. Eliminates odors caused by decomposition of food particles, urine, pet droppings, vomit, fecal matter and blood. Use on bedpans, urinals, carpets, floors, walls, sinks, drains - as is, or dilute with water. Honey suckle fragrance.</p>
75. ORANGE SOLV CHEM175-GA CHEM176-PT		<p>ENVIRONMENTALLY SAFE NATURAL CLEANER/DEGREASER AND DRAIN MAINTAINER. Eliminates drain maintenance problems. Its' natural citrus based formula quickly dissolves grease, which becomes rancid and sticky holding hairs, rags and other wastes to clog drains. Mixes with water cleaning and degreasing greasy kitchen floors and machineries.</p>
76. PERMA GRAN CHEM179		<p>PROFESSIONAL GRADE GRANULAR SOIL STERILANT AND WEED KILLER The total weed and vegetation killer in a granular bromacil formula. It gives complete soil sterilization for a year or more. Use any time for effective control of vegetation around buildings, sign posts, utility poles, guard rails and fences; in street cracks and culverts, under grandstands.</p>
77. pH HOLD CHEM999-1		<p>HOLDS CONSTANT pH BY BUFFERING THE POOL WATER pH Hold raises total alkalinity in swimming pool and spa water without affecting water pH. Provides excellent buffering properties which prevents pH "bounce" in pool water. Ensures protection from acidic attach on metals of pool hardware and pumps.</p>
78. pH MINUS CHEM999-2		<p>LOWER THE ACIDITY (pH) LEVEL OF WATER pH Minus is a granular powder used for lowering the ph level of pool water. pH Minus is easily dissolved and allows you to use your pool immediately after application. Protects both pool and equipment from scale build-up and other problems caused by high total alkalinity.</p>

ITEM/PRODUCT CODE		DESCRIPTION
79. pH PLUS CHEM999-3		<p style="text-align: center;">RAISES THE pH LEVEL OF WATER</p> <p>pH Plus raises the pH level, adds the necessary alkalinity and reduces the acidity in the pool water. pH Plus cleans cloudy water due to low pH and helps maintain a proper chlorine residual.</p>
80. POOL-BRITE CHEM181A-AQUA-BLUE CHEM181B-RED CHEM181C-BLACK CHEM181-WHITE		<p style="text-align: center;">POOL PAINTS - ALL COLORS</p> <p>Swimming pool paint for the requirements of municipal commercial and private pools. Highly resistant to acid alkali, salt and water. Chlorinated and rubberized, perfect for concrete or metal pools, shower stall floors. Available in aqua, blue or white.</p>
81. PRIDE RUG/UPHOLSTERY SHAMPOO CHEM183		<p style="text-align: center;">PROFESSIONAL RUG AND UPHOLSTERY SHAMPOO</p> <p>Cleans and restores rugs, carpets, furniture, draperies, automobile interiors and other fabric finishes. Ideal for hotels, businesses, institutes, airports, etc...</p>
82. PRIVATE EYE CHEM184		<p style="text-align: center;">SEWER LEAK TRACING DYE</p> <p>The fluid traces the flow of water in underground pipes to locate leaks and pipe breaks. It leaks through to appear on the surface to allow pinpoint digging. It's fluorescent nature reveals leaks even in dark of the night. Also good for revealing leaks in storage tanks and kettles.</p>
83. PRO-BAT CHEM185		<p style="text-align: center;">BATTERY TERMINAL CLEANER</p> <p>Spray on batter cases, terminals, and hold down clamps. Dissolves acid build-up, corrosion grease, and oil deposits. Cleans and protects. Helps reduce voltage drain and improves contact.</p>
84. PRO-BELT CHEM186		<p style="text-align: center;">MECHANIC'S BELT DRESSING</p> <p>Stops slipping and squeaking belts. Increases grip and belt life. Can be used on rubber, fabric, leather, and canvas. Ideal for industry use and automotive shops.</p>
85. PROTECT CHEM187		<p style="text-align: center;">PROFESSIONAL CLEANER AND PROTECTIVE SPRAY FOR COMPUTER SCREENS, PLASTIC, VINYL, GLASS & PLEXIGLAS.</p> <p>Cleans and protects the screen and other hard surfaces from dust, dirt, smudges and finger prints.</p>
86. ROOT-O-KILL CHEM199		<p style="text-align: center;">PROFESSIONAL GRADE ROOT KILLER FOR SEWER LINES</p> <p>A corrective and preventive chemical that rids sewer lines of clogging roots. It is absorbed into the cell-sap of roots, then dries and rots them. As it reaches the green part of the tree above ground, chlorophyll deactivates it so the tree is not harmed.</p>
87. RESIDUAL ROACH SPRAY CHEM197		<p style="text-align: center;">PROFESSIONAL GRADE ROACH KILLER</p> <p>Odorless and stainless, but strong to kill resistant insects. USDA approved for use in schools, cafeterias, office buildings, wherever bugs have been a chronic problem. Acts quickly on existing insects; lasts up to three months.</p>
88. RUST-O-SCALE CHEM201		<p style="text-align: center;">RUST REMOVER FOR BOILERS AND HOT WATER HEATERS</p> <p>A condensate line conditioner for low-pressure and high-pressure boilers. Stops corrosion of return lines, tanks, traps, and pumps by neutralizing acid-forming by-products in the return condensate.</p>
89. SEAL-IT CHEM209A		<p style="text-align: center;">RUBBERIZED FLEXIBLE COATING FOR ROOF AND AUTOMOBILES</p> <p>A unique spray product which leaves a firm coating that stays flexible on all roofs, flashings, gutters, downspouts and sink drains. It also seals and heals tree wounds and prune stubs. Will not sag or drip. The coating is impervious to water and thus seals out rust and corrosion.</p>

ITEM/PRODUCT CODE		DESCRIPTION
90. SENTRA LATHER CHEM207		<p align="center">COCONUT HANDSOAP</p> <p>Refined coconut oil gives it extraordinary softness and a pleasant scent. Blended oils and wetting agents give it a foam feel and skin-soothing action. Contains no harsh abrasive or solvents. Very economical.</p>
91. SHOWER BRITE CHEM212H		<p align="center">HARD SURFACE ACID CLEANER</p> <p>High performance shower stall, bathtub, toilet, urinal, sinks, and hard surface acid cleaner and scum remover. It removes scum, lime, scale, rust, corrosion and hard water deposits. Highly concentrated and highly effective.</p>
92. SPOT-X CHEM225A		<p align="center">SPOT & STAIN REMOVER</p> <p>Removes Spots & Stains from Carpets, Linen, Wallpaper, and Painted Surfaces. Cleans up spots of grease, oil, dirt, soot and spilled drinks from rugs, carpets, and upholstery. This concentrated spray lifts soil from fibers quickly and safely.</p>
93. SPRAY BUFF CHEM999-0		<p align="center">SPRAY BUFF</p> <p>Ready to use blended wax, polymers and cleaning agents. Easy to use and economical method of cleaning floors and maintaining them to a high gloss. Use with buffing machines. Removes scratches, black marks and dirt. Will not discolor.</p>
94. SUPREME CHEM235		<p align="center">PROFESSIONAL GRADE 22% FLOOR WAX</p> <p>Savings of 30% are possible with this metal cross-link formula, because one coat equals two coats of many conventional finishes. Contains 30% solids. Outstanding depth of gloss, easily maintained with spray buffing. Recommended for all resilient and hard surface floors.</p>
95. SWEEPING COMPOUND CHEM237-OIL & SAND CHEM238-GRITLESS OIL CHEM239-BLENDED WAX BASE		<p align="center">FLOOR SWEEPING COMPOUNDS</p> <p>Three grades of compound to improve clean-up of all floor types- (A) Oil and Sand Type for ordinary wood and cement; (B) Gritless Oil Type of non-waxed linoleum and finished wood, terrazzo, vitreous and mosaic tile; (C) Blended Wax for resilient composition and all waxed floors. Very economical to use.</p>
96. TARVA-SOL CHEM243		<p align="center">TAR AND ASPHALT REMOVER</p> <p>This strong solvent quickly and easily removes grease, oil, tar and asphalt from motor blocks, engine parts, machinery, floors and metal surfaces. Spray on, wipe off. Can be diluted with water for further economy.</p>
97. TOTAL BODY SHAMPOO CHEM247B		<p align="center">BODY WASH</p> <p>Concentrated blend of amides and coconut oils, emollients and skin conditioners. Completely pH balanced and neutral and can be used on hair, scalp and whole body safely. Rinses completely leaving the hair manageable and body soft and fresh.</p>
98. TRUCK WASH CHEM248A		<p align="center">TRUCK CLEANING & WASHING COMPOUND</p> <p>Specially formulated to clean the heaviest road dirt. This compound cleans road tar, grease and insects with very little effort leaving the truck looking new. No wiping needed; will not streak. Ideal for semi-trucks and military vehicles. For machine or hand washing.</p>
99. URI URINAL SCREEN W/BLOCK CHEM252		<p align="center">ALL-IN-ONE URINAL SCREEN AND DEODORANT BLOCK</p> <p>One piece hydro-activated urinal maintainer complete with screen and built in chemical block. Low alkaline pH cleaners and scale remover cleans and disinfects with each flush. Last at least one month. Self-cleaning and disposable.</p>
100. VANDALEX GL CHEM255		<p align="center">PROFESSIONAL VANDAL MARK REMOVER FOR VERTICAL SURFACES</p> <p>The graffiti-removing power of Vandalex in a gel formula that clings and coats vertical surfaces to overcome the most stubborn markings. Safe on most building materials, but should be pretested in hidden area.</p>

ITEM/PRODUCT CODE		DESCRIPTION
101. VOBAN CHEM258B		<p style="text-align: center;">HOSPITAL GRADE ABSORBENT</p> <p>Absorbent granules quickly absorbs body fluid and other obnoxious liquids leaving the area fresh, clean, and odor free. Safe for use on floors, carpets, and furniture. Widely used by schools, hospitals, airports, and police.</p>
102. WASP-AWAY CHEM262		<p style="text-align: center;">PROFESSIONAL GRADE POWERFUL WASP & HORNET SPRAY</p> <p>A strong synthetic pyrethroid formula kills wasps, hornets, yellow jackets and other flying instantly. 100psi pressure to jet stream up to 15 feet. Non-conductive up to 3,000 V.</p>
103. WAXO-SOAP CHEM263		<p style="text-align: center;">BUILDER'S PROFESSIONAL FLOOR CLEANING AND POLISHING COMPOUND.</p> <p>A fast working liquid cleaner for use on linoleum, asphalt tile, terrazzo, marble, wood, vinyl and composition floors. Ideal for daily damp mopping and machine scrubbing. It leaves a protective film of wax, preserving and brightening the floor. May be buffed to bring out a bright, anti-slip shine.</p>
104. WEED-O-KILL CHEM265		<p style="text-align: center;">PROFESSIONAL GROUNDSKEEPER'S SOIL STERILANT & WEED KILLER, RTU</p> <p>Multi-part formulation kills existing weeds and grass within 6 hours. Works through leaves, stems, stalks and roots for complete localized plant kill and soil sterilization. Used widely in cities, counties and the private sector. Can be applied any time (except when ground is frozen).</p>
105. WEED-X CHEM264		<p style="text-align: center;">PROFESSIONAL GRADE SOIL STERILANT & WEED KILLER CONCENTRATE</p> <p>Provides non-selective vegetation kill over large areas. Concentrated (dilution 1: 10 with water), so it is very economical to use. Most effective when applied during or just after plant emergence, especially when followed by normal rainfall to carry chemicals to roots.</p>
